

DAB radio

- Choose **DAB format** if moving to a region that uses a different digital band. Available formats are:

- L Band
- Band III
- L Band & Band III
- L Band Canada
- L Band Can & Band III

This will prompt an auto tune.

Note: *This option is disabled while the vehicle is moving.*

ENSEMBLES

Unlike AM/FM radio, DAB transmits several channels/stations on a single frequency. A group of channels is known as an ensemble. Some channels within the ensemble may have subchannels offering several listening options.

If reception is lost when the vehicle is in motion, the vehicle may be out of range of the ensemble. To build a new list of ensembles, select **Auto-tune**.
