

Warranties: Federal Emission Control System Warranties

Emission Design and Defect Warranty

Applicability: All 2007 Model Year Jaguar vehicles, certified in accordance with the Federal Clean Air Act, which are registered and operated in the United States or U.S. Federalized Territories.

Warranty Statement

Under the Federal Emission Design and Defect Warranty, Jaguar Cars must provide coverage for two (2) years or 24,000 miles, whichever occurs first. Jaguar Cars has voluntarily extended this warranty to four (4) years or 50,000 miles, whichever occurs first.

The warranty period for the vehicle begins on the date of the first retail sale, or on the date of entry into demonstrator service and continues for four (4) years or until the vehicle has been driven 50,000 miles, whichever occurs first.

Items that require scheduled replacement are warranted up to the replacement interval as specified in the New Vehicle Limited Warranty.

Jaguar Cars warrants that Jaguar vehicles are designed, built, and equipped so as to conform at the time of sale with the U.S. Environmental Protection Agency emission standards applicable at the time of manufacture, and are free from defects in factory-supplied materials and workmanship which could cause the vehicle to fail applicable regulations. You will not be charged for repair, replacement, or adjustments needed to correct emissions-related defects of the parts listed on page 13. Labor and diagnosis costs are included.

In addition, components noted with an asterisk (*) in the parts list on page 13 are covered for eight (8) years or 80,000 miles, whichever occurs first.

Emission Performance Warranty

Applicability: All 2007 Model Year Jaguar vehicles, certified in accordance with the Federal Clean Air Act, which are registered and operated in the United States or U.S. Federalized Territories.

Warranty Statement

The Federal Emission Performance Warranty is in effect for two (2) years or 24,000 miles, whichever occurs first, beginning on the date of the first retail sale or the date of entry into demonstrator service.

Under the Federal Emission Performance Warranty, Jaguar Cars will repair, replace, or adjust, with no charge for labor, diagnosis or parts, any emission control device or system, if all of the following apply:

- your Jaguar is maintained and operated in accordance with the written instructions for proper maintenance and use listed in the Owner's Handbook and this Passport to Service, and
- your Jaguar fails to conform to the applicable emission standards as judged by an EPA-approved emission test, and
- you are subject to a penalty or sanction (including the denial of the right to use the vehicle) under local, State, or Federal law, and
- your Jaguar has not been tampered with, misused, or abused.

In addition, components noted with an asterisk (*) in the parts list on page 13 are covered for eight (8) years or 80,000 miles, whichever occurs first.

Warranties: Federal Emission Control System Warranties

Emission Control System Warranties Coverage

The following is a list of the parts that are covered under the Federal Emission Control System Warranties.

- Air / fuel feedback control system and sensors
- Catalytic converter(s) *
- Electronic engine control sensors and switches
- Electronic ignition system
- Emissions related bulbs, hoses, clamps, brackets, tubes, gaskets, seals, belts, connectors, fuel lines, and wiring harnesses
- Engine control module (ECM) *
- Exhaust gas recirculation (EGR) valve and associated parts
- Exhaust manifold(s)
- Fuel injection system
- Fuel tank, fuel filler cap and neck restrictor
- Fuel vapor storage canister, liquid separator and associated controls
- Intake manifold(s)
- Malfunction indicator light (MIL) system
- PCV system
- Spark control components
- Spark plugs
- Supercharger assembly
- Throttle body assembly
- Transmission control module
- Transmission control module and valve assembly
- Transmission control valve block
- Variable valve timing unit(s)

* parts covered for eight (8) years or 80,000 miles
