

Using the Passport to Service

Vehicle Registration; Owner Information

At the time of original delivery, your Jaguar dealer will have placed your vehicle, your name and complete address in the Jaguar Cars vehicle registration file. A copy of this information appears at the front of this handbook. If any errors exist, please bring them to the immediate attention of your Jaguar dealer. Once registered, you are entitled to the benefits of the various applicable warranties as described herein.

Mail-in cards included in this handbook

Three postage-paid mail-in cards are included in this handbook:

- Principal Driver / Maintainer card
- Vehicle Registration / Owner Information Change card
- Jaguar Clubs of North America Information Request card

If the Vehicle Registration / Owner Information Change card has already been used, notify Jaguar Cars by postcard. Copy the complete Vehicle Identification Number (VIN) and supply the previous and new owner's name and address. Mail the card to:

Jaguar Cars
ATTN: Customer Relationship Center
555 MacArthur Boulevard
Mahwah, New Jersey 07430-9890

Using the Passport to Service

Scheduled Vehicle Maintenance

The Maintenance Schedule, found on pages 28 – 29, lists all the required maintenance procedures and their intervals. Because of the need for specialized equipment and skills, it is strongly recommended that all service work be entrusted to an authorized Jaguar dealer.

Maintenance must be carried out at the specified intervals. Jaguar vehicles should have their first scheduled maintenance at 10,000 miles (16,000 kilometers) or 12 months from the date of delivery, whichever occurs first. Subsequent maintenance must be carried out at intervals not to exceed 12 months or 10,000 miles, whichever occurs first. After each maintenance service, confirm that the Maintenance Service Record has been completed (pages 30 – 31).

Should the vehicle have a high proportion of short journeys or operate in severe conditions, Jaguar Cars recommends that the maintenance procedures scheduled at 10,000-mile intervals be performed at intervals not to exceed six (6) months.

It is perfectly normal for the vehicle to consume some engine oil during normal use. It is the owner's responsibility to ensure that the engine oil is maintained at the proper level in between the scheduled maintenance intervals. Additionally, more frequent checks of under hood fluids and tire pressures can help minimize your chance of being inconvenienced while on the road, and may extend the life of certain wear and tear components. Jaguar dealers offer supplemental maintenance services as a convenience to those owners who do not wish to perform these services themselves.

The Maintenance Schedule may be revised from time to time. Jaguar dealers will be notified of revisions by Service Administration Bulletins or Technical Bulletins.
