New Vehicle Limited Warranty

Applicability: All 2007 Model Year U.S.A. specification Jaguar vehicles registered in the U.S.A. and Puerto Rico.

Warranty Limitations

This New Vehicle Limited Warranty is the only express warranty applicable to your vehicle. Jaguar Cars neither assumes, nor authorizes anyone to assume for it, any other obligation or liability in connection with this warranty.

Limitation of Remedies

Under the warranty, it is agreed that the sole exclusive remedy against Jaguar Cars and its authorized dealers shall be for the repair or replacement of defective parts as provided herein. The sole purpose of this exclusive remedy shall be to provide for the free repair and replacement of defective parts in the manner prescribed in this warranty. This exclusive remedy shall not be deemed to have failed its essential purpose so long as Jaguar Cars, through its authorized dealers, is willing and able to repair or replace defective parts in the prescribed manner.

Implied warranties;
Consequential damages

Under the law, the owner may be entitled to the benefit of certain implied warranties:

- an implied warranty of merchantability (that your car is reasonably fit for the general purpose for which it was sold) or,
- an implied warranty of fitness for a particular purpose. (That your car is suitable for your special purposes).

These implied warranties are limited, to the extent allowed by law, to the time period covered by the written warranties, or to the applicable time period provided by state law, whichever period is shorter.

Jaguar Cars does not accept responsibility under any of the warranties in the Passport to Service for any consequential damage or commercial loss to the owner, or any incidental expenses, loss of time, or inconvenience.

Some states do not permit a limitation on how long an implied warranty will last, or on the exclusion or limitation of incidental or consequential damages, so the above limitation may not apply to the owner. This warranty gives owners specific legal rights, and they may also have other rights that vary from state to state.

NOTE: The information regarding limitations on incidental and consequential damages under the **NEW VEHICLE LIMITED WARRANTY** also applies to the **EMISSION CONTROL SYSTEM WARRANTIES**.

Corrosion Protection Limited Warranty

Applicability: All 2007 Model Year U.S.A. specification Jaguar vehicles registered in the U.S.A. and Puerto Rico.

Warranty Statement

Jaguar Cars warrants that if any corrosion perforation occurs on the body of a Jaguar vehicle within six (6) years, unlimited mileage, from the date of first retail sale or the date of entry into demonstrator service, the panels affected by corrosion perforation will be repaired, or replaced, at no charge to the owner.

Warranty coverage

This warranty applies only to corrosion perforation of painted body panels or the body shell. Corrosion perforation means the corroding-through of the vehicle body from the inside to the outside.

Any part or component bolted or attached to the body, such as the suspension or exhaust systems, is not covered by the warranty because it is not part of the "body". These components are covered by the New Vehicle Limited Warranty.

Sheet metal damage repairs

Any automotive body shop that is repairing sheet metal damage should be instructed to apply proper anti-corrosive materials to bring those repaired areas into conformity with the original protection provided by the manufacturer.

Aftermarket corrosion-proofing

Jaguar vehicles are protected internally with a wax-injection process. The use of aftermarket applications that contain solvents could compromise this factory coating. Claims for future corrosion perforation repairs could be denied because the factory coating had been rendered ineffectual.

Aluminum repairs

XJ models employ full aluminum body panels and monocoque framework. All collision repairs must be performed by an authorized Jaguar Aluminum Repair Center for the Corrosion Warranty to be applicable. Contact your local Jaguar dealer for details, or contact the Jaguar Cars Customer Relationship Center at 1-800-4 JAGUAR (1-800-452-4827), option #9.
