

S-TYPE

Tow Bar, Barre de remorquage, Anhängerkupplung,
Barra di traino, Barra de remolque, けん引棒

Note: When secondary brake loop is fitted larger cut-out, template 2(E) and 3(G) combined, applies.

Note: Quand un système de freinage secondaire est monté, une découpe plus grande, gabarits 2(E) et 3(G) combinés, est applicable.

Hinweis: Wenn die Sekundärbremsschleife eingebaut ist, die Schablone mit dem größeren Ausschnitt, 2(E) und 3(G), verwenden.

Nota: nelle vetture dotate di circuito freni secondario vengono usate assieme le sagome 2(E) e 3(G), di dimensioni più grandi.

Nota: si hay montado un freno de remolque, se debe utilizar un recorte más grande, plantillas 2(E) y 3(G) combinadas.

注: セカンダリ ブレーキ ループが取り付けである場合は、テンプレート 2 (E) および 3 (G) を組み合わせた大きな切り抜きを使用してください。

Notes: Notes: Hinweis: Nota: Nota: 注 :

8. Cut out and fold template (T), RH and/or LH as required.
8. Découper et plier le gabarit (T), côté droit et/ou côté gauche, selon le besoin.
8. Schablone (T) ausschneiden und falten, rechts und/oder links, je nach Bedarf.
8. Ritagliare e piegare la sagoma (T), lato destro e/o lato sinistro a seconda del caso.
8. Cortar y plegar la plantilla (T) para el lado derecho y/o izquierdo, según convenga.
8. 必要に応じて右側または左側のテンプレート (T)、あるいは両方を切り抜き、折り線で折ってください。

9

HSS003

Notes: Notes: Hinweis: Nota: Nota: 注 :

9. Position template (T), as indicated, LH illustrated.
9. Positionner le gabarit (T), comme indiqué, côté gauche illustré.
9. Schablone wie abgebildet anlegen, hier links dargestellt.
9. Posizionare la sagoma (T) come indicato in figura. L'illustrazione indica il lato sinistro.
9. Colocar la plantilla (T) tal como se indica; en la ilustración se muestra la del lado izquierdo.
9. テンプレート (T) を図のように所定の位置に合わせてください。(図は左側の例)

12

HSS005

Notes: Notes: Hinweis: Nota: Nota: 注 :

12. Where RH heat shield is fitted, follow the same procedure as LH, using RH template.
12. Si l'écran thermique droit est monté, suivre la même procédure que pour le côté gauche, en utilisant le gabarit droit.
12. Falls rechtes Hitzeschild eingebaut ist, rechts ebenso wie links vorgehen. Hierzu rechte Schablone verwenden.
12. Nelle vetture dotate di schermo termico sul lato destro, seguire lo stesso procedimento del lato sinistro usando però una sagoma per il lato destro.
12. Si hay una pantalla térmica montada en el lado derecho, seguir el mismo proceso que para el lado izquierdo utilizando la plantilla del lado derecho.
12. 右側にヒートシールドが取り付けられている場合は、右側用テンプレートをを使って左側と同様の手順に従ってください。
