PAIRING AND CONNECTING USING THE MORII F PHONE

Note: The process of pairing and connecting your phone with the vehicle using the mobile phone will vary depending on the type of mobile phone used.

- 1. Switch the ignition on and ensure that the touch screen is active.
- **2.** From the home menu, select **Phone**. A menu will appear.
- 3. On the mobile phone, turn on Bluetooth and then select **Device to vehicle** option.

Note: The vehicle's Bluetooth® system is discoverable for only 3 minutes.

- 4. Using the mobile phone, search for Bluetooth® devices.
 - On some phones, this is referred to as new paired device. See your phone's operating instructions for further information.
- 5. When the vehicle's Bluetooth® system is discovered, begin the pairing process using your mobile phone and follow any directions shown on the touch screen. Select Yes when prompted, to confirm the pairing.
 - When prompted, enter the PIN code **1313** into your phone and select **OK** to confirm.
- Once your phone is paired and connected to the system, a confirmation message will be displayed before switching to the Digit Dial screen.

Note: Some mobile phones require the Bluetooth® pairing to be set as 'authorised' or 'trusted' in order to automatically connect. Please refer to your phone's operating instructions for further information.

PAIRING AND CONNECTING USING THE TOUCH SCREEN

- Switch on your mobile phone's Bluetooth® connection using the phone's menu. Make sure that your mobile phone is in Bluetooth® discoverable mode, sometimes referred to as find me mode (see your phone's operating instructions for more information).
- 2. Switch the ignition on and ensure the touch screen is active
- 3. From the home menu select Phone.
- 4. A menu will appear. Select Search new.
- Identify your phone from the displayed list and select the corresponding Pair and dock option.

Note: If more than 5 phones are detected, it may be necessary to use the scroll bar to see the entire list

- **6.** When prompted, enter the PIN code displayed on the screen.
- Once your phone is paired and connected to the system, a confirmation message will be displayed before switching to the Digit Dial screen.

Note: Due to the duration of a Bluetooth® search, it is advised that the timeout to home screen feature is switched off before attempting to search for Bluetooth® devices. This setting can be changed within **Vehicle**, **Syst settings**, see **52**, **SYSTEM SETTINGS**.

CHANGING THE CONNECTED PHONE

Up to 5 mobile phones can be paired with the vehicle in the same way. However, only one can be connected and ready for use as a phone at any one time.
