

## DEACTIVATING THE ALARM WHEN TRIGGERED

If the alarm has been triggered, it can be deactivated by any one of the following methods:-

- Pressing the unlock button on the Jaguar Smart Key.
- Opening a door using keyless entry.
- Pressing the START/STOP button with a valid Jaguar Smart Key present.

## TILT SENSOR

The tilt sensor detects any change in the vehicle's angle to the ground. When the alarm is armed and the vehicle double-locked, any change in the vehicle's angle will activate the tilt alarm.

**Note:** *The tilt sensor can be temporarily disabled, for the next time the vehicle is locked, via the Security/ vehicle settings menu on the touch screen. See 52, VEHICLE SETTINGS.*

## PASSIVE ARMING

This vehicle is fitted with a passive arming feature which can, if enabled, automatically arm the anti-theft system. Passive arming will automatically arm the perimeter alarm system 60 seconds after the driver's door is closed, provided all doors, bonnet and luggage compartment are closed, the ignition is switched off and there are no valid Jaguar Smart Keys inside the vehicle.

Passive arming will not lock the vehicle, although access to the luggage compartment via the interior or exterior release buttons will be prevented and the fuel filler flap will be locked.

## AUTOMATIC RELOCKING AND RE-ARMING OF THE ALARM

Automatic relock and re-arm is a feature which, if enabled, automatically relocks the vehicle and arms the anti-theft system.

If the vehicle is in a locked and armed state and the remote unlock button is pressed, but none of the doors or the luggage compartment are opened within 1 minute, the vehicle will automatically relock all the doors and the luggage compartment and will re-arm the alarm system.

**Note:** *Automatic relocking and arming will only relock and arm to the last locked and armed state.*

## SENSOR FAULTS

If the security systems detect a fault with one of the security sensors, 2 error tones will sound from the alarm after the vehicle is unlocked and disarmed. If this condition occurs, please visit your Dealer/Authorised Repairer for rectification.
