

MAIN MENU

1. **More...:** Displays the other Nav menu screen.
2. **Cancel guidance:** Cancels the current route guidance.
3. **Destination entry:** Provides a choice of options for entering a destination.
4. **Previous destination:** Displays previous destinations entered.
5. **Display/Hide POI:** Turns the POI (Point Of Interest) icons on the map on/off.
6. When a destination is set, the Jaguar logo is replaced by a soft key which enables the last voice instruction to be repeated.
7. **Route voice guidance:** Allows the voice guidance messages to be turned off for the current journey. The soft key is highlighted while voice guidance is enabled.
8. **POI shortcuts:** Touch the relevant icon to list available POIs close to the vehicle's position.
9. **Return to map:** Advances to the main map screen.
10. **Detour:** Allows a detour from the current route.
11. **Nav set-up:** Settings for the Navigation system.
12. **Route options:** Allows selection of various options for the route.
