

4. A menu will appear. Select **Change Device**, followed by **Search new**.
5. Select the **Vehicle to device** option.
6. Identify your device from the displayed list and select the corresponding **Pair and connect** option.

***Note:** If more than 5 devices are detected, it may be necessary to use the scroll bar to see the entire list.*

7. When prompted, enter the PIN (Personal Identification Number) code into your device. See your device's operating instructions for more information.
8. Once your device is connected to the system, a confirmation message will be displayed, before switching to the **My music**, Bluetooth view.

***Note:** Due to the duration of a Bluetooth search, it is advised that the time-out to home screen feature is switched off before attempting to search for Bluetooth devices. This setting can be changed within **Setup, Screen, Time out home**.*

CHANGING/DISCONNECTING A DEVICE

1. From the **Bluetooth** menu, select **Change device**.
2. Select **Disconnect**. A confirmation pop-up will appear and then you will be given the option to **Search new**, or select a different device from the list of paired devices.
