

CARPET AND MATS

Marks or stains can be removed by gentle scrubbing with a weak solution of soap and warm water.

For more stubborn stains, a commercially available carpet cleaner should be used.

SEAT BELTS

Marks or stains can be removed by gentle scrubbing with a weak solution of soap and warm water.

For more stubborn stains, a commercially available carpet cleaner should be used.

AIR BAG MODULE COVERS

WARNING

Air bag covers should only be cleaned using a slightly dampened cloth and a small amount of upholstery cleaner.

WARNING

Any substance which enters the mechanism can prevent correct deployment of an air bag during an impact.
