

- **Intersection:** Select and enter the area required (**City, Town**, etc.) followed by 2 street names, to find an Intersection destination.
- **GEO Coordinate:** Select to enter a known GEO Coordinate as a destination. A GEO Coordinate can be obtained from a handheld GPS receiver, a map, or the Navigation system.
- **Point on Map:** Use to select a destination directly from the map screen. By selecting a street segment or icon, you can quickly enter a destination without the need to input the city name or street.
- **Town Centre:** Select to enter the name of a town. The Navigation system will calculate a route to the centre of the town entered.
- **Closest Cities:** Select to view a list of the closest cities.
- **Phone Number:** Select and enter a known phone number as a destination.

## POINTS OF INTEREST (POI)

To set a destination from the selection of POIs: In **Where To?**, touch **Point of Interest** to view the following list:

- **All Categories.**
- **Gas Stations.**
- **Restaurants.**
- **Hotels.**
- **ATM / banking.**
- **Enter Name.**

The POI search area selection can also be changed by selecting the **Change Search Area** soft key; the following options are listed:

- **Around Me.**
- **Near Destination** (this is only available during a route guidance).
- **In a Town.**

- **Along Route** (this is only available during a route guidance).

When the required POI has been found, touch to select it as a destination.

## INSTRUCTIONAL VIDEO

## EMERGENCY

On the **NAV MENU** screen, select **Emergency** to see the following list of emergency options:

- **Hospital:** Search and route to a hospital close to your current location.
- **Police:** Search and route to a police station close to your current location.
- **Location:** Select to show details of your current location.
- **Save:** Select to save your location as a favourite.

To search for any of the emergency services listed:

1. Select the emergency service required.
2. Use one of the following categories to find the emergency service:
  - **Name.**
  - **Distance.**
3. Select the required emergency service from the list and touch **Yes** to confirm the destination.
4. If you are already on a route guidance, the system will ask you to select one of the following:
  - **Cancel previous route.**
  - **Add as first destination.**
