

TRAILER DIRECTION INDICATORS (GREEN)

Illuminates as a bulb check when the ignition is switched on and extinguishes when the engine is started.

If a trailer is attached, the warning lamp will flash in conjunction with the direction indicator warning lamp. If the lamp fails to flash, the direction indicator bulb on the trailer may be faulty.

Note: *If the attached and connected trailer is fitted with LED lights, the bulb check may not be performed.*

HIGH BEAM (BLUE)

Illuminates when the high beam headlamps are switched on or flashed.

FOLLOW MODE OFF (GREY)

Illuminates when the Adaptive Cruise Control (ACC) system is disabled.
