i-Size child restraint system seating positions

Seating position				
	Front Passenger	Rear outboard left	Rear outboard right	Rear centre
i-Size child restraint system	X	i-U	i-U	X

Note: Ages given are approximate. In case of doubt, the child's weight, not age, should be used when considering an appropriate child seat.

When installing a child seat in the rear, the front seat must be moved forward and upwards to install any rear-facing child seat. Care must be taken not to load any part of the child seat when repositioning the front seat. The space available for front seat occupants will be reduced by the installation of any rearward-facing child seat.
